

CLEVELAND CHRISTIAN HOME

Every Child Deserves Hope
Every Child Deserves Healing
Every Child Deserves a Chance

Cleveland Christian Home is a haven of hope and healing for children, youth and families struggling with mental illness, abuse and neglect. Founded as an orphanage in 1900, today's Cleveland Christian Home annually serves over 500 children, youth and families from Cuyahoga County and across Ohio.

Community-Based Programs are designed to keep children who are at risk of abuse or neglect or who have mental health needs, safe at home through Community-Based Services, Family Preservation and Tapestry System of Care programs.

Residential Treatment serves adolescent and teenage boys who are struggling with severe emotional and behavioral disturbances. Most of these children have been abused and neglected and have been in and out of foster homes and child welfare custody. Some are referred by juvenile court. All are in need of a safe, structured and therapeutic environment where they can heal and prepare to live in the community again.
